WORKSHOPS

WORKSHOP 1

PHOTOGRAPHY PRACTICE

Individual Workshop:	1 person
Time:	3 hours
Price:	£400
Availability:	On request

Description:

This workshop is an indepth look into how to prepare for a shoot in fashion and portraiture photography. You get an introduction to working in the industry and how to get your work noticed. Learn how to plan a shoot, work with a good team, build a strong portfolio and how to market and publish your work.

Agenda:

Planning a Shoot

- How to tell the fashion story and create a narrative
- How to create a moodboard that will stand out to editors
- Planning the right location, creative team and model
- Where to find good creatives to work with
- How to approach agencies to book good models

How to approach the industry

- Reaching out to model agencies
- How to get your work published

Portfolio review

- A review of your personal portfolio
- What editors look for (editorial)
- What agencies look for (tests)

Prepare yourself for the world of fashion; how to plan and execute a fashion and portraiture photoshoot, and how to get your work noticed

WORKSHOP 2

PORTRAITS ON LOCATION

Individual Workshop:	1 person
Time:	5 hours
Price:	£525
Availability:	On request

Description:

This workshop focuses on portrait photography; how to use your own environment and natural light available to capture beautiful model portraits. Cecilie will talk through how she creates a nice flowing portrait series, and you will get a chance to watch her shoot and also capture images of a professional model as part of the workshop.

Agenda:

Planning a Shoot

- Creating a story and moodboard
- Booking your team and model

Photoshoot (hands on experience)

- How to direct your model
- Shooting on location using your surroundings
- Working with natural light

Making Your Image Selection

- Making a selection that works
- What editors look for (editorial)
- What agencies look for (tests)

Learn how to capture beautiful portraits using locations around you

WORKSHOP 3

EDITING YOUR WORK

Individual Workshop:	1 person
Time:	3 hours
Price:	£400
Availability:	On request

Description:

A detailed and individual look at how to edit your work. This workshop is personalised to you and your needs; starting with your current editing process, and giving you hints and tips on how you can further improve your editing.

Agenda:

Overall Editing Workflow

A guide through different stages of the editing process

Step by Step Look at Techniques:

- Use of curves
- Colour adjustments
- Adjusting contrast for monochrome photography
- Retouching skin
- Perfecting composition and lines
- General Q&A

Underediting vs Overediting

How to edit the skin and body shape to get a perfect yet natural image result

Presenting Your Images

How to create a common flow within your portrait series

A personalised workshop on how to edit your work - going through helpful editing techniques to achieve impactful results
